

Please distribute  
this to the  
coaches - it is  
**VERY HELPFUL**  
if the teams are  
as requested  
**BEFORE**  
they are  
presented for  
photography

To help with the smooth flow of the photography it is helpful if the coaches / managers could ensure that:-

- Socks are pulled up at same height
- Jerseys all in or all out
- Collars all the same (up / down, buttoned , unbuttoned)
- Boots all on or all off (laces done up)
- Undergarments (T Shirts) should be removed
- Draw string on shorts not visible
- Props available, ie. ball, bats etc
- Team in height order please
- Please have teams lists (typed) available on the day, names are databased straight after the photo, order totals also needed.
